SKILLS

- Java • Javascript • Nodejs • Angular • HTML & CSS • Python
- Web Development • Database Management • UI & UX • Bootstrap

PROJECTS

Food Recipe,Tracker Web Application

- Developed This Web Application that lets user to discover new Recipes of Food of your own choice
- A User can filter their available Ingredients,Cooking Things like Kitchen appliances and Spices. They can also track the Food calorie of the Food.
- **Technologies Utilized:**
- **React.js:**
- **Purpose:** Powers an interactive user interface, ensuring a dynamic and responsive experience for users exploring recipes.
- **MongoDB:**
- **Purpose:** NoSQL database for storing recipe data, enhancing scalability and flexibility in managing ingredients, kitchen appliances, and spice information.
- Implemented with **Node.js** and **Express.js** to manage server-side logic, handle **API** requests

Weather Web Application

- Used **Openweather API** and **Javascript** To get the real-time weather
- The User can Experience the power of real-time weather information with our Weather Web application, built using APIs (openweatherAPI) and JavaScript to provide accurate forecasts and updates at your fingertips.
- **Technologies Employed:**
- **API Integration (OpenWeather API):**
- **Purpose:** Utilized the OpenWeather API for real-time weather data retrieval, ensuring accurate forecasts.
- **RESTful API:**
- **Purpose:** Implemented for secure communication with OpenWeather API, ensuring data transactions are protected and maintaining application integrity.

ACTIVITIES

Game Development Workshop- PSG College of Technology

- I Participated in a Game Development workshop at PSG College of Technology, where I acquired fundamental skills in utilizing Blender for 3D modeling and delved into the principles of animation.

EDUCATION

BE (Computer Science Engineering) 2020-Present
PSNA College of Engineering and Technology
CGPA - 8.44

HSC 2018-2020
SBIOA MATRICULATION HIGHER SECONDARY SCHOOL

INTEREST

- Tech Communities Involvement
- Game Development/Gaming
- Coding Challenges
- Web Development Projects

CERTIFICATIONS

- Google Digital Marketing & E-Commerce - Coursera
- Introduction to IoT - Cisco
- Javascript Essentials - Linkedin Learning
- SQL Essential Training - Linkedin Learning
- Google Analytics for Beginners - Google Analytics Academy
- Nodejs Certification Course - Great Learning Master the Fundamentals
